As the rich media landscape is forever evolving, the demand for high-impact experiences rises to new levels, as we constantly strive to achieve lasting impressions for our clients. Hauser Productions has been regimented to this principle through our notion of “Progressive Design Technology”; which simply reminds us that within each and every client engagement there exists an opportunity to explore new creative potential. It is this vision that drives our commitment to push the boundaries of design and technology and to deliver the best next generation solutions. At Hauser Productions, we harness our insight, dedication and expertise to challenge the boundaries of creativity and deliver on tomorrow’s capabilities. Currently serving the New Orleans, Covington, Mandeville, Baton Rouge, Kansas City, Burbank, Hollywood, Orange County areas.
